What Is Meenakari?

Meenakari is simply the art of enameling generally gold and silver metals into vibrant designs. Even its name is a piece of art that honors this royal craft. There are two words included in its name which are correlated with each other and together make its name complete.

The image is a vertical advertisement. At the top left, there is a circular logo with the text "CIERO JEWELS" in the center, surrounded by a ring of the word "NEW" repeated multiple times. Below the logo is a photograph of a woman's hand with pink nail polish, wearing a gold ring with a square, faceted stone. The background of the photo is a soft-focus landscape. The bottom half of the advertisement is a white, torn-paper-like border containing the text "Customized Rings" in a large, elegant cursive font, and the website address "HTTPS://WWW.CIEROJEWELS.COM" in a smaller, sans-serif font below it.

Meena which signifies Heaven or Paradise is the female form of the word Meenu. Kari signifies the action that is carefully taken to design an item. Relating the two terms shows filling an item with paradise.
